NEDLIGHTS

HPS Grow Light 1000W

Product Features

- High Efficient, Stable E-ballast
- Quiet Operation
- Anti-interference Capability
- Good Heat Dissipation Design
- Special Light Distribution Design
- High-efficiency and High-quality Light Source

Specs

Output Power(W)	1000W
Input Voltage(V)	347-400V
Input frequency (Hz)	50/60
Imax(A)	6.2
PF	＞0.98
Efficiency(%)	95
THD(%)	10
Lamp holder	Double-ended lamp holder
Lamps compatible	1000W double-ended high pressure sodium lamp
Weight(kg)	3.81+10%
Protective function	Open Circuit、 Short Circuit、 High temperature、 Low temperature、 Over-voltage、 Undervoltage、 end of lamp life
Operating temperature	-20°C~40°C
Storage temperature	-40°C~70°C
